STUART Atkinson, the Sky-watch columnist in *The Westmorland Gazette*, gave a talk to the Rotary Club of Windermere. Entitled *A Tourist Guide to the Universe*, he described astronomy as the oldest science, as it dated back to cave drawings. As well as his Gazette column Stuart writes children's books on astronomy and is also an astropoet, and currently has work on the NASA website.

THE Windermere and Bowness Chamber of Trade BID steering group has set up a social media site on Facebook and Twitter for businesses within the LA23 post code area to exchange views and ideas on the Business Improvement District. The comments will be addressed at a number of public meetings being held in September and October at venues throughout the area. Details can be found at www.wbcoft.org.uk/BID.htm.

ENJOY Your Leisure holds a coffee morning on September 3, at the Marchesi Centre, from 10am-11.30am
