Extra sailings operate weekends and school holidays. For more details phone the timetable information line 015394 43360.

A 'Steamer' will sail weekends up to the New Year and from 14th February, however for operational reasons it may sometimes be necessary to substitute a smaller vessel.

Wheelchair users are **strongly advised** to call to confirm which vessel is operating which service, as not all of our vessels are suitable for wheelchair users, particularly in inclement weather conditions. On board toilet facilities on all vessels can only be reached by means of stairs, however there are adapted toilets at Lakeside, Bowness and Ambleside Piers. Phone 015394 43360 for details.
