Dear Mr Faulkner

Windermere Management Strategy Review - Consultation 2010

It is five years since the existing Windermere Management Strategy was produced and the Lake District National Park Authority and South Lakeland District Council are now reviewing the document to:

- assess progress against actions since 2005
- identify what new challenges and opportunities have arisen and,
- outline new and existing actions we will achieve by 2015 to work towards our Vision.

As part of this we have produced a review document and would now like your views: Have we missed any new challenges or opportunities? What new actions should we include?

The strategy review is available to read and download on our website
www.lakedistrict.gov.uk/windermerestrategy.

If you would like to comment you can use the online survey to submit your views, or if you would like a paper copy of the survey please contact us on 01539 724555 or by email at hq@lakedistrict.gov.uk

The deadline for comments is **4 October 2010**.

Following the consultation we will assess all comments and discuss them with the Windermere Lake User Forum, and Lake District National Park Authority and South Lakeland District Council members before publishing a new Management Strategy in Spring 2011.

Yours sincerely

Suzy Hankin
