Dear Member /Friend,

February 3<sup>rd</sup> 2011

If it is not too late I would like to wish everyone all the best for 2011, and let us hope that we have a good year ahead for various activities and events.

Time seems to have flown by since Christmas and our postponed event in December, and here we are already one month into 2011. At the January committee meeting it was decided that the programme planned for that event should be held, together with a short business meeting, for the AGM and the date has been set for Friday 25<sup>TH</sup> March in the Marchesi Centre at 7.00pm. Please put this date in your diary and further details will be sent with the agenda nearer the time.

In the meantime we will be holding another Coffee Morning at the Windermere Methodist Church room on Saturday 12th February, between 10.00am and 12 noon. We would like as many Members as possible to come along and hopefully bring a friend to see if we can encourage more people to take an interest in Twinning and perhaps join us to promote cultural and linguistic exchanges, particularly amongst young people, or anyone with a particular interest group who may like to forge some links.

Once again Lakes School is planning to send a large group of students to Diessen in July and we shall be hoping to raise some funds on the morning to go towards providing some additional benefits during the visit which would not otherwise be possible in the overall cost of the trip.

We shall be holding our usual Raffle, but this time we plan to have a Bring and Buy table for home produce, so any contributions, such as jam, marmalade, cakes, scones, biscuits, hand made cards, or anything else which would help us to make the event worthwhile, would be greatly appreciated.

If anyone needs further information please contact me as above and I look forward to seeing you on both of these occasions

Kind regards,

*Jenny Borer*
